IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF NORTH CAROLINA WESTERN DIVISION

No. 5:15-CR-367-1H

| v. |) | ORDER |
| |) | 51.2 _ - |
| MATTHEW F. LASSITER, Defendant. |) | |

This matter is before the court on defendant's motion to reconsider this court's order, [DE #70], continuing defendant on supervised release following a term of imprisonment of six months [DE #73]. While the government states it does not oppose the motion, it also states it intends to seek a term of imprisonment greater than six months should the court amend the judgment, [DE #72].

Defendant seeks reconsideration of this court's order as he did not expect the court to continue supervision following a term of imprisonment and contends that it would not be beneficial to him considering his history of drug abuse. For lack of good cause shown, defendant's motion to reconsider, [DE #70], is hereby DENIED. The court upholds its prior order, [DE #73].

This 11th day of January 2021.

MALCOLM J. HOWARD

Senior United States District Judge
